## ABSTRACT:

PURPOSE: A beautifying and whitening cosmetic, obtained by incorporating a liquid or powdery extract obtained by extracting Prunus persica with an organic solvent or water, and if necessary purifying the resultant extract in a skin cosmetic, and capable of preventing the blackening of the skin without a bad effect and promoting the beautifying and whitening effect.

CONSTITUTION: A beautifying and whitening cosmetic obtained by incorporating a liquid or dried powdery extract obtained by extracting Prunus persica with an organic solvent, e.g. a lower alcohol, or water and if necessary purifying the resultant extract of the Prunus persica with a column packed with activated carbon, polystyrene gel, "Cephadax", "Biogel", "Cepharose", cellulose or an ion exchange resin, etc., and further incorporating the resultant extract in  $\geq 0.01\text{wt}\%$  concentration with a cosmetic, e.g. makeup cream, milky lotion, lotion or pack. Thus, the aimed cosmetic capable of suppressing the formation of melanine by the inhibitory action thereof on tyrosinase activity, exhibiting improved beautifying and whitening effect, and having high safety due to no irritation and sensitivity thereof is obtained.
